Ok, I plan to finish on Tuesday by 4pm so that shouldn't interfere with your plans. I'm sure one of your staff can work with me on Tuesday after you leave if necessary.

Tee off isn't until 3:30 ish so no problem. We will work it out. Lets ink it in if it's ok with everyone else.

What time is tee off? You can have one of the guys take me to Diaperville that afternoon and we can walk through the WWTP in the morning on Wednesday. Does that help?

How about August 19. Probably be there around 1 or 2 pm.

Pat/Shane: I need to schedule an inspection in August. Likely just one day to check in on progress at the WWTP, maybe check out Diaperville and Birch if time. Looking at dates during the week of August 11 or week of August 18. Do you have any conflicts?

John: let me know if you are interested in attending.

Thanks.

Here are the pre – discharge numbers for the WWTP lagoon. We intend on beginning lowering the lagoon tomorrow (Thursday, July 17 2014) with your permission.
